AT&T SOUTHEAST CORRESPONDENCE/PC COURSE PROGRAM OVERVIEW

- The Correspondence/PC Course Program is administered through the Employment Security PARTNERSHIP.
- Regular non-management employees with at least six months net credited service are eligible to participate in the Correspondence/PC Course Program.
- Program participation exclusions are as follows: Temporary, Term, and Management employees are **not** eligible to participate.

PURPOSE

The Correspondence/PC Course Program is designed for employees that desire to continue their personal and professional growth. The courses may place a high degree of demand on the participant, as a result participants are urged to carefully consider the obligation required before registering. Systematic study, conscientious application, and a high degree of self-discipline are the basic requirements of each course. The Program offers courses in both book and CD formats. Course materials ranges from basic skills to highly technical. Courses are at no cost to the employee. Program benefits/specifications are as follows:

- Acquisition of new skills and expansion of incumbent skills via self-paced home study learning.
- The student can pursue self-improvement without following the normal demands of full-time school attendance.
- Students are allowed 6 months to complete each course.
- Upon our receipt of notification of completion, the course will be added to your AT&T Training history.

OTHER IMPORTANT INFORMATION

- Much time, effort and expense are involved in the administration of each Correspondence/PC course. Thus, eligible employees are encouraged to participate
- Registration is limited to 2 courses per application.
- Failure to send in a completion form within 6 months of enrollment may negatively impact the employee's ability to register for subsequent courses.
- **Course information will be mailed to the student within 30 days of registration. Please register via the PARTNERSHIP Office by sending a completed application to one of the following:**
 - Fax: (877) 440-5589
